SHORT PROFESSIONAL PROFILE

Dr. Poorhashemi is an international law expert, scholar, legal practitioner, and arbitrator specializing in international arbitration, international dispute resolution, public international law, international environmental law, and international responsibility. He serves as the President of the Canadian Institute for International Law Expertise (CIFILE) and Editor-in-Chief of the CIFILE Journal of International Law (CJIL), contributing to international legal research, professional education, and scholarly dialogue on contemporary developments in international law.

Dr. Poorhashemi obtained his Ph.D. in International Law from the University of Strasbourg, School of Law, France (2005) and completed a Postdoctoral Fellowship in International Law and Globalization at the Centre for the Study of International Law and Globalization (CEDIM), University of Québec in Montréal (UQAM), Canada (2013), focusing on international environmental law, international responsibility, and global legal governance. He served as Assistant Professor of International Law at the University of Science and Research (IAU), Faculty of Law (2006–2016), teaching International Arbitration, Settlement of International Disputes, International Treaties, Public International Law, International Responsibility, and International Environmental Law.

He is included in the Dubai International Arbitration Centre (DIAC) Reserve List of Arbitrators, reflecting his professional expertise and experience in international arbitration and alternative dispute resolution. He is also a Registered Expert before the International Criminal Court (ICC), The Hague (2023–Present), providing expertise in international criminal law, international humanitarian law, international human rights law, and international environmental law.

His recent research focuses on the relationship between Artificial Intelligence, international law, and arbitration, including his role as Editor of: *Artificial Intelligence and the Future of International Law: Bridging Rights, Trade, and Arbitration*, (Springer, 2024).

INTERNATIONAL ARBITRATION PROFILE

Areas of Expertise

Dr. Poorhashemi's arbitration expertise includes:

- International Arbitration;
- International Commercial Arbitration;
- Investor–State Dispute Settlement (ISDS);
- Treaty-Based Arbitration;
- International Dispute Resolution;
- Alternative Dispute Resolution (ADR);
- International Responsibility and State Liability;
- Treaty Interpretation;
- International Environmental Arbitration;
- Cross-Border Commercial Disputes;
- Arbitration and Emerging Technologies;
- Artificial Intelligence and the Future of Arbitration.

INTERNATIONAL ARBITRATION ACTIVITIES, RESEARCH & PROFESSIONAL CONTRIBUTIONS

I. Arbitrator Recognition and Professional Engagement

Dubai International Arbitration Centre (DIAC) Arbitrator - Reserve List - 2026

- Included in the DIAC Reserve List of Arbitrators in recognition of expertise in international law, arbitration, and dispute resolution.
- Experience includes international commercial disputes, contractual disputes, international transactions, and cross-border legal matters. (<https://www.diac.com/>)

II. Academic and Research Activities in International Arbitration

Academic and Research Activities in International Arbitration

- **Researcher and Scholar in International Arbitration and International Dispute Resolution**

Conducting advanced research on international arbitration, international dispute settlement mechanisms, treaty-based dispute resolution, and the evolution of international adjudication within the global legal order.

- **Research Focus Areas:**
International arbitration; international commercial arbitration; investor–State dispute settlement (ISDS); international responsibility; treaty interpretation; alternative dispute resolution mechanisms; arbitration and emerging technologies; and the role of artificial intelligence in future dispute resolution. (www.cifile.org)
-

III. Arbitration Publications and Scholarly Contributions

- **Book:** *Artificial Intelligence and the Future of International Law: Bridging Rights, Trade, and Arbitration*, Editor, Springer, 2024, Research contribution concerning:

- Artificial intelligence and international arbitration;
- Technology-assisted dispute resolution;
- Future development of arbitration procedures;
- Relationship between AI, trade, and international legal systems.
(<https://link.springer.com/book/10.1007/978-3-031-73334-5>)

- **Journal:** Editor-in-Chief of the CIFILE Journal of International Law (CJIL), promoting scholarly research and international dialogue on contemporary issues of international law and Arbitration. (<https://www.cifilejournal.com/>)

- Poorhashemi, Abbas & Zarei, Sahar, “Legal Analysis of the Judgment of the International Court of Justice on the Whaling in the Antarctic (Australia v. Japan: New Zealand Intervening),” CIFILE Journal of International Law, Vol. 2(3), 2021. Analysis of international dispute settlement, judicial reasoning, and international obligations. (https://www.cifilejournal.com/article_115631.html)

- Poorhashemi, Abbas; Freire e Almeida, D.; Saleme, “Environmental Infringements Dispute Solutions in Brazil and Canada,” Veredas do Direito, 2021. Comparative analysis of international environmental dispute resolution mechanisms. (<https://heinonline.org/>)

- Poorhashemi, Abbas; “International Law and Global Governance”, CIFILE Journal of International Law, Vol. 3, No. 5, 2022. This article addresses contemporary challenges of international governance and the development of international legal institutions, with relevance to: International dispute settlement systems; International organizations; Global legal cooperation; Evolution of international legal mechanisms., Reference: (https://www.cifilejournal.com/article_147709.html)

IV. Teaching and Academic Experience in Arbitration

Assistant Professor of International Law, University of Science and Research (IAU), Faculty of Law, 2006–2016

Courses taught:

- International Arbitration;
- Settlement of International Disputes;
- International Treaties;
- Public International Law;
- International Responsibility;
- International Environmental Law. (<https://srb.iau.ir/>)

V. Professional Experience in Arbitration and Dispute Resolution

Founder & Senior Partner, M.M. International Law Firm and Dr. Poorhashemi International Law Firm, 2008–Present

Professional activities:

- International arbitration matters;
- International commercial disputes;
- Cross-border transactions;
- Contract negotiations;
- International legal opinions;
- Arbitration-related legal submissions. (<https://poorhashemi.com/>)

International and Foreign Law Expert Witness, Canadian Courts of Justice – Ontario and Quebec, Canada, 2015–Present

- Providing expert opinions on foreign and international law.
 - Conducting comparative legal analysis relevant to international disputes.
 - Preparing expert reports concerning international commercial matters, foreign judgments, property disputes, and cross-border legal issues.
-

VI. Selected International Arbitration Presentations & Professional Speeches

- **Speaker: “Between Crowds and Algorithms: Decentralized Justice in the Age of Artificial Intelligence” Webinar on the Future of Justice in the Digital Era Jointly Organized by Kleros, Argentina** Dr. Abbas Poorhashemi participated as a speaker in this international webinar addressing the transformation of justice and dispute resolution in the digital era. His presentation examined the impact of artificial intelligence, decentralized justice mechanisms, blockchain-based dispute resolution, and algorithmic decision-making on the future development of alternative dispute resolution and international dispute settlement. Reference: (<https://www.eventbrite.com/e/between-crowds-and-algorithms-decentralized-justice-in-the-age-of-ai-tickets-1981431541078>)

- **Invited Speaker – International Summit 1.0: “International Arbitration – The Global Trend”, School of Legal Studies, Chandigarh University, Uttar Pradesh, India, 09–12 February 2026 | Online.** Dr. Abbas Poorhashemi was invited as an international speaker at the International Summit 1.0 on “International Arbitration – The Global Trend,” organized by the School of Legal Studies, Chandigarh University. The global academic summit brought together scholars, practitioners, and experts to discuss contemporary developments and future directions of international arbitration. His participation focused on emerging trends in international arbitration, innovation in dispute resolution, and the evolving role of technology in shaping the future of global arbitration practice.
